**Joshua 1:1-9**

*After the death of Moses the servant of the Lord, the Lord said to Joshua the son of Nun, Moses' assistant, 2 "Moses my servant is dead. Now therefore arise, go over this Jordan, you and all this people, into the land that I am giving to them, to the people of Israel. 3 Every place that the sole of your foot will tread upon I have given to you, just as I promised to Moses. 4 From the wilderness and this Lebanon as far as the great river, the river Euphrates, all the land of the Hittites to the Great Sea toward the going down of the sun shall be your territory. 5 No man shall be able to stand before you all the days of your life. Just as I was with Moses, so I will be with you. I will not leave you or forsake you. 6 Be strong and courageous, for you shall cause this people to inherit the land that I swore to their fathers to give them. 7 Only be strong and very courageous, being careful to do according to all the law that Moses my servant commanded you. Do not turn from it to the right hand or to the left, that you may have good success wherever you go. 8 This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success. 9 Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go."*

## How to Have Courage When the Future Depresses You

### Joshua 1:1-9

#### **Ice-breaker**

What instructions or advice did your parents give you at least three times before you left home?

#### **Text**

Read Joshua 1:1-9

Put this passage in context. What has recently happened? (Deuteronomy 34) What are the children of Israel about to do?

What state of mind do you think Joshua is in? How would hearing from the Lord help and encourage him?

What did God give Joshua as a priority? In practical ways, how does knowing God's word help you face the future? How does doing God's word help you face the future?

#### **Application**

Share with the group how you might include God's word in your conversation.

As a group, pick one verse to memorize together this week.

What are some ways to meditate on God's word? Be practical.

Knowing God's word is one thing but doing it is another. How does being careful to do God's word bring success?

What other sources of knowledge and advice and commands compete daily with God's word in your life?

Share a time when you were trying to make a decision about the future and you heard a voice saying, 'this is the way, walk in it.'

End your time together by talking about what you are looking forward to in your future.
