

## Praying and Fasting for a Breakthrough in 2021

This year we are asking God to breakthrough in our church and in our own lives. To show God how serious we are about this and to seek Him above all else, we are praying and fasting on the first day of each month.

To hear more about praying and fasting for a breakthrough watch Ken's sermon.

## Congregational Breakthrough

The prayer for our congregation comes from Ezekiel 37:14

*I will put my spirit in you and you will come to life again... Then you will know that I am the Lord.*

Pray and ask God to put His Spirit in our church

Pray and ask God that we will come to life again

Pray and ask God to do this so we'll know that He is the Lord

## Personal Breakthrough

Please choose one area of your life in which you need God to breakthrough. If you already know what that is write it down. If you do not, maybe these questions will help you.

Do you desire a deeper more intimate relationship with God?

Do you want to break free from bondages and self-defeating habits that keep you from fulfilling God's will?

Are you ready to find healing and even be in a position for God to use you to heal others?

Are you ready to break free from sinful addictions?

Do you desire a greater awareness of the calling God has placed on your life?

Are you ready to place yourself in a position to be filled with God's Spirit so that you can hear clearly from him?

Is there a relationship that you need God to heal and mend?

Is there a decision that you need God to give you clarity and guidance on?

Spend some time praying and then write down how you need God to breakthrough in your life during 2021. Be specific. Pray about these two things every month.

God bless and may he breakthrough in your life!
