Relational Guardrails

When it dawns on you that your friend group isn't moving in the direction you want your life to be moving...

When you catch yourself pretending to be someone other than who you are...

When you feel pressure to compromise...

When you catch yourself thinking, 'I'll go but I won't participate...'

When you hope that people you care about don't know where you are...

*Wisdom will be proved right by all her children. Luke 7:35*
