Our focus today is our partners in mission

### **Prayer requests for M4C & Jeremy and Jenny Aaron**

Outreach to the campus. Pray for more connections to be made with students on campus and they will enter into a discipling relationship and discover the truth of the Gospel.

Pray for strong relationships within the M4C family.

Pray for the mental and emotional health of the students.

Pray for Jeremy, Jenny as they serve the needs of the students (mentally, physically, spiritually, emotionally).

Pray for God to work on the campus bringing many to Him.

### **Prayer requests for the church in Guelph & Jason and Jen Rollins**

Matt - works with The Bench project. Here's really close to baptism, He's thinking a lot about what that means in his life, contemplating what would need to change, counting the cost. I pray for his heart to be committed to his decision.

Cory, he is a friend from our initiative at the park in Cambridge on Friday's. Asking about baptism. We will start a study soon. We've seen a lot of growth in him since we started. We've given him a place for healthy relationships. He's been coming to worship on Sundays with us and has such a servant heart. I pray for open ears and heart to see God's love.

Faez, and his wife are pregnant with their second child. It's been a tough pregnancy so far. He also is having trouble finding a job and will

have to move out of their apartment in a couple of months. Pray for rest and peace. He is still asking lots of questions about Jesus. I pray for a breakthrough for the Spirit to work in his life and draw him near to the Father.

Maegan, she is searching and really struggling with some life decisions and how those affect how she thinks God views her. She is thinking about recommitting her life to God, but it's stored by these hurdles in her mind. I pray for Jen as she works with her to help her show how much God loves her, even though poor decisions have been made.

### **Prayer requests for the MedRim and Aniel and Elvis**

Pray for Moises as he settles into a new school in a new culture.

Pray for continued relationship and study with Adolfo and his family.

Pray for their ability to learn the language of the Muslims. (Arabic)

Pray for the focus and unity of the three families. (Reyte &, Oendys &, Aniel and Elvis)

### **Prayer requests for Metroplex Campus Ministry and Emily Spencer**

Pray for students who are struggling with big issues like death and suicide.

Pray we get some new students from Fall Fest at Tarrant Community College.

Praise God for a student who is ready to get baptized!!

Pray that the non-Christian students participating in our ministry will continue to come around and get to know Jesus.

## **Prayer requests for Andy Johnson**

Pray God will move supernaturally by revealing Himself to people that are not seeking Him through dreams and visions and by connecting the workers to people of peace.

Ask God to develop emerging leaders who are bold, passionate, obedient, and stirred in their spirit to see the Gospel move among their people – as well as able to persevere in suffering

Ask God to provide the resources necessary to facilitate movement, including locations for discovery groups to gather and Bible translations in local dialects.

Pray workers will be transformed to be spirit-led disciples of Jesus who model kingdom living.

Pray that the workers' children and families will thrive socially, spiritually and emotionally and to accept and understand God's love for them.
